

Dear ,

We can deliver

In the course of our new building and the associated capacity expansion, we have increased our material stocks at an early stage.

This allows us to deliver automation components within 3 weeks despite the significant growth in 2021 and against the market trend.

Contact us now.

Our sales team wishes you happy holidays!

Do you have existing applications or new projects which you would like to realise with Jenny Science drives?

Please do not hesitate to contact us.

We wish you a Merry Christmas and a Happy New Year!
Best regards

Alois Jenny
